*Lot #6*

A end of the road mountain property of 10.81 prime acres. The acreage is pinon, juniper and ponderosa pine covered and borders the Gila National Forest on two sides! A water well has been drilled on the property and there are the utilities of electric and phone to the property line.

*Priced to sell at \$110,000*

This is an amazing mountain property that offers the best of both worlds.

Only 20 miles from Quemado, NM and 35 miles from Reserve, NM and all of their amenities, but it is definitely a sanctuary "away from it all".
