“HEART OF THE GILA” <sup>SM</sup>

This 760 acre ranch with a gorgeous 2100 sq. ft. home that was handcrafted with great attention to all of the details, down to the switch plates.

In the sunken living room there are expansive windows and handsome kiva fireplace with beautiful brick flooring. Above the living room is a handsome dining room with intoxicating views of the forest.

In addition to the 760 acres, the ranch also has a 240 acre State lease. The 1,000 acres will support horses and cattle varying as to the capacity each year. Corals & wind-mill water support the livestock.

The Gila National Forest borders the ranch offering excellent hunting, hiking and horseback experiences.

A courtyard garden with mature trees and flowers extends the loveliness of this home outside. There are several well laid out gardens for the avid gardener.

The kitchen layout is lovely with exceptional tile work and a large pantry. In addition, there is a den, office, and a sewing room.

The amazing price for the 760 acres and handsome adobe home is only \$ 1,095,000.

The master bedroom and bathroom have incredible character with beautiful light streaming into the bedroom at the end of the day to warm it for night.

The guest bedroom is graced by another kiva stove and a private bathroom.
