Beautiful Range Land

Dark Skies

Clean Air

The Vista Verde Ranch is nestled into the mountains of SW New Mexico bordering the Apache & Gila National Forests.

The ranch is 900 acres consisting of 70% meadows of abundant grass & colorful wildflowers and 30% wonderful rolling hills of pine & cedar.

Great ranch for cattle and horses.

There is also excellent elk, deer and antelope range out the back door and into the millions of acres of National Forest that surround Vista Verde.

Elevation is 7,200+ /- feet. Weather is in the Four Gentle Seasons area of SW New Mexico.

Accommodations include a historic adobe ranch home of 900 sq ft. , phone and generator for electric. Ranch improvements include extensive corrals with loading chute and a windmill.
